26 year old “Gordy” was born and raised in Issaquah, Washington and lived in Costa Mesa, California before moving to Jeffersonville Indiana. Most of what we know of Gordy comes from his neo-Nazi instagram where he uses the screenname “Gabb3r”.

Gordy's Instagram shows the chilling journey of his radicalization and movement through several white supremacist groups. Unfortunately for Gordy, he also left various remnants of his pre-Nazi life, such as pictures/interactions with friends, that allowed us to identify him.

Before neo-Nazism, Gordy appeared to be very into a subculture of EDM music called “Gabber”, hence his screen name. It appears however that around the time he moved to Indiana, he started to become radicalized and posting explicitly neo-Nazi content.

It also appears that as of at least early 2020, Gordy was involved with the white supremacist group **Belmont Front (BF)**. This is based off of two posts. Circumstantial evidence also points at Gordy's involvement in PF, most prominently the fact that PF stickers were put up and various PF actions took place very close to where Gordy lives in Jeffersonville. Read more about PF here:

"What you want is to build public sympathy with our consti[t]uents, 'Straight White People of good moral Character' without compromising our beliefs. We are American Fascists, but we don't present ourselves as 1930's Germans, Klansmen, or Prison Gangs"

Now let's get into Gordon's involvement with NSC Dixie. NSC (short for Nationalist Social Club or National Socialist Club depending on their audience) is a newer neo-Nazi group started in Massachusetts by longtime neo-Nazi Chris Hood.

NSC Dixie is a very new development and hardly appears to be more than 2 months old. However, Gordon appears to be an early member, posting in mid May that he went on a camping trip with NSC Dixie and sparred in front of a swastika flag with fellow NSC members

Gordon also heavily posted about attending a recent NSC Dixie event. On June 6th about 9 NSC Dixie members held a small neo-Nazi rally at the Roane County Courthouse in Kingston, Tennessee. Gordon can be seen in blue camo pants and a neo-Nazi sonnenrad shirt

Gordon also took several videos of the event on his Telegram account, which were reposted by the public channel of another neo-Nazi in attendance.

Many NSC Dixie members and those who attended the Roane rally appear to be former members of the seemingly defunct clerico-fascist group Legion of Saint Ambrose. These former LoSA members include Caleb Rose, Craig Shaulding. Corey Scott Whittman, and Joseph Wayne Hutchins.

Apparently leading the group is a bizarre Telegram neo-Nazi who goes by Max/Penguin/Antiroot. He is known for living in a bus and starting a strange neo-Nazi, fundamentalist Christian, anti-masturbation cult. He also has a “Siege

In addition, NSC propaganda material also popped up in New Albany, Indiana, the next town over from Gordon. This is significant given the very small membership of NSC Dixie so far, and shows it was almost certainly Gordon's

As if Gordon's deep involvement in a neo-Nazi group isn't concerning enough, he is also heavily armed.

Ultimately, It can be seen that Gordon MacKenzie of Jeffersonville, Indiana is deeply involved with the neo Nazi group NSC Dixie and has showed his willingness to threaten and intimidate communities on numerous occasions.

Local communities need to be aware of Gordon's neo Nazi politics, affiliations, and his constant neo Nazi activism in the Indiana/Kentucky/Tennessee regions.
